

Gold – The Ultimate Dental Implant Specialisation Course

This course is the most Comprehensive Dental Implant Course in the World. It is the same as the [Silver](#) but with a Distance learning component, and an Advanced surgical component, including 2 days to the University of Paris to practice advanced techniques on ‘fresh’ cadavers.

On completion you will receive an Internationally recognised Specialisation Certificate in Dental Implantology from FAPI University, Brazil.

For more details about this certificate please goto [FAQ](#).

There will be a total of 4 Residencies over 2 years.

We will endeavour to make at least one of the residencies around the Carnival time in Brazil so that you can also enjoy this festive period.

- Approximately 2 years duration
- 13 modules including 4 Clinical Residencies, FAPI University, Brazil
- Distance learning
- Place up to 25 implants
- Practice advanced grafting procedures on Cadavers @ Paris University, France before doing it on patients
- Carry out internal and external sinus lifts on patients we will provide
- Carry out at least 1 block bone graft on a patient under supervision

This course does not provide travel or hotel accommodation.

We have special hotel rates in Brazil (£25-30 per night) and we will provide you a list of recommended hotels when we travel to Paris.

The link for the hotel in Brazil is <http://www.colonialplazapinda.com.br/>

You will be required to bring your own basic instruments (see [recommended list](#)).

We will provide the implants, drapes, implant kits, supervision and the patients.

You will be able to purchase high quality Hu-Friedy instruments at discounted prices through Perio-Implant Europe Ltd.
