

Silver

This course includes the same as the [Bronze course](#) but with extra emphasis and modules on Prosthetics.

You will be taught by some of the best Clinicians in the World!

The course duration is just under 1 year and will include 2 Clinical Residencies in Brazil. One for placing implants and the second will be to place more implants and also to restore the implants placed at the first Residency.

Note that it may not be possible to upgrade to the Specialisation course (see [FAQ](#) for more information).

The first Residency will take place towards the end of July 2007 and the second residency will be around Carnival time in Brazil in February 2008.

- Approximately 10 months duration
- 9 modules including 2 Clinical Residencies, FAPI University Brazil
- Place up to 12 implants and complete the cases from the first residency

This course does not provide travel or hotel accommodation.

We have special hotel rates in Brazil (£25-30 per night) and we will provide you a list of recommended hotels when we travel to Paris.

The link for the hotel in Brazil is <http://www.colonialplazapinda.com.br/>

You will be required to bring your own basic instruments (see [recommended list](#)).

We will provide the implants, drapes, implant kits, supervision and the patients. You will be able to purchase high quality Hu-Friedy instruments at discounted prices through Perio-Implant Europe Ltd.
